**Peoplement Denmark Join AltoPartners:  
AltoPartners Boast Strongest Nordic Grouping Globally**

**August 17, 2021** – As the leading partnership of retained executive search and leadership consulting firms, AltoPartners is proud to announce that [Peoplement](#), a dynamic executive search and leadership consultancy firm, has joined the global partnership as exclusive partner in Denmark.

Following a year of celebrated growth in 2020 through the addition of new member firms in Mexico, Hong Kong, Spain, Morocco, and Colombia, AltoPartners continues its strong growth momentum into 2021, first through the addition of a member firm covering China and Singapore, and now in Denmark. Peoplement now take the AltoPartners global footprint to 64 offices in 37 countries across 6 continents.

*“Together with my partner colleagues, Anne Borgen and Christian Rolin, we are very excited and proud to join the AltoPartners global alliance. This presents us a great opportunity to develop business across the borders, provide new international service offerings for our clients and share best practices within executive search and leadership consulting”* says Birgitte Olrik, Partner at Peoplement, on joining the AltoPartners global partnership.

Sonal Agrawal, AltoPartners Global Chair, says: *“We have strategically been growing the AltoPartners international partnership through the addition of high quality, local firms that will provide our clients with seamless cross-border and cross-cultural expertise and service. Our existing presence in the Nordics is renowned and the additional of the team from Peoplement truly cements our Nordic coverage and expertise. We welcome the team from Peoplement to our global family.”*

The partners in the firm have all held positions as senior executives across a number of industries and functional areas where they have acquired deep industrial insight, leadership skills and a wide network.

With 64 offices in 37 countries, AltoPartners maintains a strong presence in the Americas, Europe, Middle East, Africa and Asia-Pacific. For the complete list of partner companies and territories we cover, please visit <http://www.altopartners.com/>
